Eleventh United Nations Conference on the Standardization of Geographical Names
New York, 8-17 August 2017
Item 6 of the provisional agenda*
Reports on the work of the United Nations Group of Experts on Geographical Names, its divisions, working groups and task teams since the Tenth Conference

Report of the China division of the United Nations Group of Experts on Geographical Names

Summary**

Since the Tenth United Nations Conference on the Standardization of Geographical Names, China has carried out its second national survey of geographical names and has made progress in the fields of toponymic cultural heritage, toponymic public services and toponymic publications.
